COM(2000) 813 final

2000/0321 (ACC)

Proposal for a

COUNCIL DECISION

on the position to be taken by the Community within the Association Council established by the Europe Agreement between the European Communities and their Member States, of the one part, and Romania, of the other part, which entered into force on 1 February 1995, extending the double-checking system for the period from 1 January to 31 December 2001, concerning the export of certain steel products from Romania to the Community

(presented by the Commission)

EXPLANATORY MEMORANDUM

The aim of the double-checking system is to improve transparency and to avoid possible diversions of trade. It is founded on the provision in the EC-Romania Europe Agreement¹ which allows either Party to introduce an administrative procedure having as its purpose the rapid provision of information on the trend of trade flows. The Parties agreed to establish such a system in 1998 in respect of certain ECSC steel products by means of Decision N° 3/97² of the Association Council. By Decision N° 5/98³ of the Association Council the system was extended for the period from 1 January to 31 December 1999 and by Decision N° 1/2000⁴ of the Association Council the system was extended for the period from 1 January to 31 December 2000. Council Regulation (EC) N° 84/98⁵ extended by Council Regulation (EC) N° 166/1999⁶ and by Council Regulation (EC) N° 542/2000⁷ established the corresponding implementing legislation for the Community.

At its meeting on 22 September 2000, the Contact Group agreed to recommend that the Association Council should extend the double-checking system for the period from 1 January to 31 December 2001.

The attached proposal consequently seeks to extend Decision N° 3/97 of the Association Council for the period from 1 January to 31 December 2001.

Having regard to the proposal from the Commission,

Having regard to the Decision of the Council and the Commission of 19 December 1994 on the conclusion of the Europe Agreement between the European Communities and their Member States, of the one part, and Romania, of the other part, and in particular Article 2(1) thereof,

Whereas:

- (1) The Contact Group referred to in Article 11 of Protocol 2 of the Europe Agreement between the European Communities and their Member States of the one part and Romania of the other part, which entered into force on 1 February 1995⁸, met on 22 September 2000 to discuss trends in imports of ECSC products from Romania into the Community and recognised the need to find appropriate solutions in the framework of Article 34(2) of the Agreement in order to ensure that the attainment of the objectives of the Agreement will not be jeopardised;
- (2) The Contact Group therefore agreed to recommend to the Association Council established under Article 106 of the Agreement that the double-checking system introduced in 1998 by Decision N° 3/97⁹ of the Association Council, extended for the period from 1 January to 31 December 1999 by Decision N° 5/98¹⁰ of the Association Council and extended for the period from 1 January to 31 December 2000 by Decision N° 1/2000¹¹ of the Association Council, should be extended for the period from 1 January to 31 December 2001;

⁹ OJ L 13, 19.1.1998, p. 57.

¹⁰ OJ L 19, 26.1.1999, p. 9.

¹¹ OJ L 67, 15.3.2000, p. 35.

- (3) The Parties are desirous to promote the orderly and equitable development of trade in steel between the Community and Romania;
- (4) The Association Council, having been supplied with all relevant information, has determined that the solution acceptable to the two parties, which least disturbs the functioning of the Agreement is the extension of the double-checking system, without quantitative limits, for the import into the Community of certain steel products covered by the ECSC Treaty for the period from 1 January to 31 December 2001,

HAS DECIDED AS FOLLOWS:

The position to be taken by the Community within the Association Council established by the Europe Agreement between the European Communities and their Member States, of the one part, and Romania, of the other part, concerning the export of certain steel products from Romania to the European Communities, and in particular the extension of the double-checking system, shall be based on the draft decision of the Association Council annexed to this Decision.
