Proposal for a

COUNCIL DECISION

**on a Community position within the EU-Mexico Joint Council concerning
a corrigendum to Decision 3/2004 of the EU-Mexico Joint Council of 29 July 2004**

(presented by the Commission)

EXPLANATORY MEMORANDUM

The EU-Mexico Joint Council Decision 3/2004 includes two Community tariff quotas that take into account traditional trade between Mexico and the New Member States following the recent EU enlargement. The introduction of the specific calendar provisions for the entry into force of those quotas as agreed during the negotiations was at the moment of drafting this Decision unfortunately omitted. Thus a corrigendum is necessary.
