on a Community position within the EU-Chile Association Committee on the establishment of a list of arbitrators as required by Article 185 paragraph 2 of the Agreement establishing an association between the European Community and its Member States, of the one part, and the Republic of Chile, of the other part

(presented by the Commission)

EXPLANATORY MEMORANDUM

The EU/Chile Association Agreement ("The Agreement") includes in its Part IV, Title VIII a bilateral Dispute Settlement mechanism. Pursuant to Article 185 paragraph 2 of the Agreement, the Association Committee shall establish a list of individuals ready to serve as arbitrators in the bilateral dispute settlement procedures. The Commission and the Chilean government have agreed on a list of fifteen individuals willing and able to serve as arbitrators. As envisaged by the Agreement, this list is composed by five EU nationals, five Chilean nationals and five third country nationals. The EU-Chile Association Committee should now formally adopt this list.

Furthermore, in order to facilitate the task of ensuring that the list always contains fifteen individuals at any point of time, it is proposed that any updating of this list in the future is adopted upon joint written notification by the Parties to the Association Committee, once the Parties have reached an agreement. The Commission shall agree with the Chilean Government on the new list and consult the 133 Committee before the list is notified to Association Committee.

The Commission therefore proposes to the Council to adopt the enclosed Council Decision as the EU common position on the proposed EU-Chile Association Committee Decision in Annex.
