- Subsidiarity principle

The proposal falls under the exclusive competence of the Community. The subsidiarity principle therefore does not apply.

- Proportionality principle

The proposal complies with the proportionality principle for the following reasons:

This shared initiative was possible for the five-year period following the entry into force of the Amsterdam Treaty (ART. 67(1) EC), however since the entry into force of the Nice Treaty (ART. 67(2) EC), the initiative belongs to the Commission only. Therefore it is up to the Commission to propose to the Council amendments to the Annexes to the Regulation according to Article 45 of the Regulation.
