EXPLANATORY MEMORANDUM

The grant of the temporary abandonment premiums provided for by Regulation (EEC) No 456/80 is subject to an undertaking by the applicant to grub vines on the area in question before 1 April each year. In order to ensure that the farmer in question is entitled to the aid applied for and to determine, in accordance with the Community rules, the amount of the aid, the competent authorities of the Member States must undertake on-the-spot verification of some technical matters. As it has not been possible to make all the necessary verifications in time to allow applicants to comply with their undertakings, during the first marketing year in which the measure was enforced, two Member States have requested the waiver set out in this proposed Regulation.

PROPOSAL FOR
COUNCIL REGULATION (EEC)

derogating from Regulation (EEC) No 456/80 for the 1980/81 wine year
in respect of the date when applicants for an abandonment
premium must have carried out grubbing of vines

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 456/80 of 18 February 1980 on the granting of temporary and permanent abandonment premiums in respect of certain areas under vines and of premiums for the renunciation of replanting (1), as last amended by Regulation (EEC) No 1993/80 (2), and in particular the second subparagraph of Article 9 thereof,

Having regard to the proposal from the Commission (3),

Whereas Article 3(2) of the Regulation (EEC) No 456/80 lays down that the grant of the abandonment premium is to be subject to a written declaration whereby the producer undertakes in particular by 1 April of the year following that in which the application is lodged to grub up or have grubbed up the vines on the areas for which the premium has been applied for; whereas the competent authorities of the Member States have not been able to verify on the spot in sufficient time a series of technical factors necessary for determination of the premium during the first wine year in which the measure was applied; whereas, accordingly, producers who applied for the temporary abandonment premium have not been enabled to comply with the undertaking referred to above; whereas it is therefore necessary to make use of the possibility envisaged in the second subparagraph of Article 9 of Regulation (EEC) No 456/80 and provide for a derogation in respect of that date,

HAS ADOPTED THIS REGULATION:

(1) OJ No L 57, 29.2.1980, p. 16

(2) OJ No L 195, 29.7.1980, p. 12

(3) OJ No C

Article 1

For the 1980/81 wine year, the undertaking referred to in the first indent of Article 3(2) of Regulation (EEC) No 456/80 shall be considered to have been complied with by the applicant if grubbing is carried out before 15 June 1981.

Article 2

This Regulation shall enter into force on the day of its publication in the Official Journal of the European Communities.

It shall apply with effect from 1 April 1981.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels,

For the Council
The President
