COM(81) 44 final

EXPLANATORY MEMORANDUM

Council Decisions 80/817/EEC and 80/818/EEC established that, in certain non-member countries, the field inspections of seed-producing crops and the seed produced offered the same guarantees as the controls carried out by the Member States and were therefore equivalent.

The two proposals for Council Decisions attached hereto are designed to grant equivalence in respect of further species to some of these non-member countries\*.

Bulgaria is also included in these decisions and will thus be granted equivalence in respect of certain species.

Greece, which became a Member State of the Community on 1 January 1981, need no longer be covered by these decisions.

Proposal for a

COUNCIL DECISION

amending Sixth Decision 80/817/EEC on the equivalence of field inspections carried out in third countries on seed-producing crops

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Directive 66/400/EEC of 14 June 1966 on the marketing of beet seed<sup>(1)</sup>, as last amended by Directive 78/692/EEC<sup>(2)</sup>, and in particular Article 16 (1) (a) thereof,

Having regard to Council Directive 66/401/EEC of 14 June 1966 on the marketing of fodder plant seed<sup>(3)</sup>, as last amended by Directive 80/754/EEC<sup>(4)</sup>, and in particular Article 16 (1) (a) thereof,

Having regard to Council Directive 66/402/EEC of 14 June 1966 on the marketing of cereal seed<sup>(5)</sup>, as last amended by Directive 79/692/EEC<sup>(6)</sup>, and in particular Article 16 (1) (a) thereof,

Having regard to Council Directive 69/208/EEC of 30 June 1969 on the marketing of seed of oil and fibre plants<sup>(7)</sup>, as last amended by Directive 80/304/EEC<sup>(8)</sup>, and in particular Article 15 (1) (a) thereof,

Having regard to the proposal from the Commission,

Whereas in Decision 80/817/EEC<sup>(9)</sup>, the Council declared that field inspections carried out in 23 third countries on seed-producing crops of certain species satisfy the conditions laid down in the Community Directives;

(1) OJ No. 125, 11. 7.1966, p. 2290/66

(2) OJ No. L 236, 26. 8.1978, p. 13

(3)

(4) OJ No. 125, 11. 7.1966, p. 2298/66

(5) OJ No. L 207, 9. 8.1980, p. 36

(6) OJ No. 125, 11. 7.1966, p. 2309/66

(7) OJ No. L 205, 13. 8.1979, p. 1

(8) OJ No. L 169, 10. 7.1969, p. 3

(9) OJ No. L 68, 14. 3.1980, p. 33

(9) OJ No. L 240, 12. 9.1980, p. 1

Whereas for certain species this declaration of equivalence relates also to Australia, Czechoslovakia, Spain, Portugal, Romania and Chile;

Whereas it has since been established that there are rules on seed control for a range of plant species also in Bulgaria which provide for official field inspection carried out during the period of seed production;

Whereas an examination of the rules of the abovementioned countries and of the manner in which they are applied has shown that the prescribed field inspections satisfy the conditions laid down in Annex I to each of the abovementioned Directives;

Whereas Bulgaria should therefore also be granted equivalence and the existing equivalence for Australia, Czechoslovakia, Spain, Portugal, Romania and Chile should be extended to further species;

Whereas by Decision 80/817/EEC the Council also granted equivalence to field inspections carried out in Greece on seed-producing crops of certain species; whereas, pursuant to the Treaty of Accession, Greece has been a member of the Community since 1 January 1981 and consequently Greece should not be considered as a third country;

HAS ADOPTED THIS DECISION:

Article 1

The Annex to Decision 80/817/EEC is hereby amended as follows:

1. Part I, I, item 1.1:

- the abbreviation "BG = Bulgaria" is added after the abbreviation "AUS = Australia",
- the abbreviation "GR = Greece" is deleted.

2. The entries set out in Part I, Table 2, are amended as follows:

- (a) Reference No. 2a given in the Annex hereto is added;
- (b) Reference Nos. 2, 5, 8, 14, 16 and 17 are supplemented by the text set out in the Annex hereto;
- (c) Reference No. 9 is deleted.

This Decision shall apply with effect from 1 January 1981.

This Decision is addressed to the Member States.

(8) OJ No. L 68, 14. 3.1980, p. 33

Having regard to the proposal from the Commission,

Whereas, in Decision 80/818/EEC<sup>(9)</sup>, the Council declared that seed of certain species produced in 23 third countries is equivalent to corresponding seed produced in the Community;

Whereas for certain species this declaration of equivalence relates also to Australia, Czechoslovakia, Spain, Portugal, Romania and Chile;

Whereas it has since been established that there are rules on seed control for a range of plant species also in Bulgaria;

Whereas an examination of the rules of the abovementioned countries and of the manner in which they are applied has shown that the conditions governing certain seed harvested and controlled in these countries afford the same assurances as regards the seed's characteristics, identity, examination, marking and control, as do the conditions applicable to seed harvested and controlled within the Community;
