COMMISSION OF THE EUROPEAN COMMUNITIES

COM(80) 133 final

Brussels, 21st March 1980

DRAFT COUNCIL DECISION
UNDER THE TREATIES CONCERNING FISHERY ACTIVITIES IN
WATERS UNDER THE SOVEREIGNTY OR JURISDICTION OF MEMBER STATES,
TAKEN ON A TEMPORARY BASIS PENDING THE ADOPTION
OF PERMANENT COMMUNITY MEASURES

(presented by the Commission to the Council)

COM(80) 133 final

COUNCIL DECISION

under the Treaties concerning fishery activities in waters under the sovereignty or jurisdiction of Member States, taken on a temporary basis pending the adoption of permanent Community measures.

The Council intends to reach an agreement as early as possible in 1980 on further Community measures for the conservation and management of fishery resources and related matters. Pending its decision in the matter and in view both of Article 102 of the Act of Accession and of the need to protect the biological resources and to maintain suitable relations with third countries in fisheries matters, the Council has decided on the following interim measures which will apply from 1 April 1980 until the Council has reached a definitive agreement or until 30 June 1980, whichever is the earlier.

1. The Council stresses the need for Member States to conduct their fishing activities in such a way as to take into account the total allowable catches (TACs) and the part of the TACs made available to third countries under agreements or arrangements made with them by the Community and, to this end, agrees that Member States shall inform the Commission of all specific measures taken to that effect so as to enable the Commission to evaluate their conformity with Regulations (EEC) No. /80 and No. /80. The catches taken in the interim period will be offset against the allocations eventually decided upon by the Council for 1980.

2. As regards technical measures for the conservation and surveillance of fishery resources, Member States shall apply the same measures as they applied on 3 November 1976, and other measures taken in accordance with the procedures and criteria of Annex VI to the Council resolution of 3 November 1976.
