and vegetables

---

(presented by the Commission to the Council)

COM(82) 410 final

EXPLANATORY MEMORANDUM

Regulation (EEC) n° 1119/81 set maximum quantities of Williams pears, Bigarreau and other sweet cherries and Morello cherries in syrup for which aid could be given. These quantities were based on figures for production in the Member States and on marketing potential and were 74.100 T for Williams pears, 26.850 T for Bigarreau and other sweet cherries and 52.800 T for Morello cherries.

Fresh data on the market for these products indicates that the quantities could be raised to 82.000 T for Williams pears, 29.100 T for Bigarreau and other sweet cherries and 60.000 T for Morello cherries. These are the figures for average production in the Community for 1977/1978/1979/1980.
