COMMISSION OF THE EUROPEAN COMMUNITIES

COM(82) 112 final

Brussels, 15 March 1982

Proposal for a

COUNCIL REGULATION (EEC)

on transitional measures in respect of imports of sheepmeat and goatmeat
originating in certain non-member countries qualifying for preferential
treatment

(submitted to the Council by the Commission)

COM(82) 112 final

EXPLANATORY MEMORANDUM

With the entry into force of Council Regulation (EEC) No 1837/80 of 27 June 1980¹, the arrangements for the importation into the Community of certain sheepmeat and goatmeat products were altered by the introduction of a levy instead of a customs duty. Several countries of the Mediterranean basin have agreements with the Community which entitle them to total or partial exemption from the customs duty payable on products falling within some of the customs headings concerned. Until these agreements are reviewed or amended, the import levies applicable to the products in question originating in Spain, Algeria, Morocco, Tunisia or Turkey should be totally or partially suspended so that these products can continue to enjoy treatment equivalent to that provided for in the said agreements.

on transitional measures in respect of imports of sheepmeat and goatmeat originating in certain non-member countries qualifying for preferential treatment.

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Articles 43 and 113 thereof,

Having regard to the proposal from the Commission,

Having regard to the opinion of the European Parliament¹,

Whereas Council Regulation (EEC) No 1837/80 of 27 June 1980 on the common organization of the market in sheepmeat and goatmeat², as last amended by Regulation (EEC) No 899/81³, laid down a system of import levies for certain sheepmeat and goatmeat products; whereas, before that system came into effect, imports of the said products into the Community were subject to payment of customs duty; whereas, however, certain non-member countries qualified for total or partial exemption from the said customs duties by virtue of their agreements with the Community;

Whereas, as long as the said agreements have not been amended in these respects, products originating in the countries in question should, under the new system, continue to enjoy treatment equivalent to that for which they qualified previously;

HAS ADOPTED THIS REGULATION :

- salted meat of sheep, other than of domestic sheep, or goats falling within sub-heading 02.06 C II a) of the Common Customs Tariff, originating in Turkey.
