COMMISSION OF THE EUROPEAN COMMUNITIES

COM(82) 598 final

Brussels, 24 September 1982

Proposal for a
COUNCIL REGULATION (EEC)

concerning the import system applicable to certain non-member
countries in the sheepmeat and goatmeat sector in 1983

(submitted to the Council by the Commission)

COM(82) 598 final

CONFIDENTIAL

EXPLANATORY MEMORANDUM

1. In accordance with the negotiating brief given to the Commission by the Council on 20 December 1979, and in implementation of Regulation (EEC) No 1837/80 on the common organization of the market in sheepmeat and goatmeat, voluntary restraint agreements have been concluded with the following non-member countries in respect of their exports of products of this sector : Argentina, Australia, Austria, Bulgaria, Czechoslovakia, Hungary, Iceland, New Zealand, Poland, Romania, Uruguay and Yugoslavia.

2. There are a small number of non-member countries exporting products of this sector which have not yet been able to give a voluntary restraint undertaking; however, it is appropriate that they should be allowed to export certain quantities of these products to the Community in 1983 on terms similar to those accorded to the non-member countries referred to under 1 above.

3. The purpose of the present proposal by the Commission is accordingly to limit the amount of levy collected and the issue of import licences for certain products in the sheepmeat and goatmeat sector entering from non-member countries other than those referred to under 1 above. The main countries concerned are Chile, the German Democratic Republic and Spain.

PROPOSAL FOR
COUNCIL REGULATION (EEC)

concerning the import system applicable to certain non-member countries
in the sheepmeat and goatmeat sector in 1983

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and
in particular Article 43 thereof,

Having regard to the proposal from the Commission,

Having regard to the opinion of the European Parliament,

Whereas Council Regulation (EEC) No 1837/80 of 27 June 1980 on the common
organization of the market in sheepmeat and goatmeat (1), as last amended by
Regulation (EEC) No 1195/82⁽²⁾, established a system of trade with non-member
countries in this sector; whereas this system includes the collection of an import levy;

Whereas the Community has concluded voluntary restraint agreements with the
great majority of the non-member countries exporting sheepmeat and goatmeat
products;

Whereas, pending the conclusion of agreements with other non-member countries which
traditionally export to the Community, it would seem appropriate to restrict
in 1983 the collection of the levy and the issue of import licences in respect
of certain products from these countries;

Whereas imports into the Member States should be allowed, account being taken
of traditional trade patterns,
