COMMISSION OF THE EUROPEAN COMMUNITIES

COM(81) 251 final

Brussels, 14 May 1981

Proposal for a
COUNCIL REGULATION (EEC)

fixing the basic and buying-in prices for apples for the
month of June 1981

(submitted to the Council by the Commission)

COM(81) 251 final

STATEMENT OF REASONS

Subject : Proposed Regulation fixing the basic price and buying-in price for apples for the month of June 1981

At the meeting of the CSA on 4 May 1981 the question of the prolongation by one month of the period of application of the basic and buying-in prices for apples, and no objection has raised by any delegation to such prolongation.

The attached draft Regulation, which gives effect to this concensus, is based on Article 35 of Reg (EEC) No 1035/72, which lays down that the Council, acting on a proposal from the Commission, may take, for any of the products listed in the Annexes to that Regulation, measures in derogation therefrom.

The stocks of apples held on 1 April 1981 approximate in size to those which existed on the same date during the 1978/79 and 1979/80 marketing years, in the course of which a basic price and a buying-in price were fixed for the month of June.

As such stocks are likely to lead to the withdrawal of considerable quantities of apples from the market before the end of May 1981, producers will not wish to run the risk of marketing these products in June, a month for which no intervention price is fixed. This situation may be avoided by fixing a basic price and a buying-in price for June.

The purpose of this proposed Regulation is to extend to the month of June the validity of the prices fixed for the months of January to May, which represent normal end of -year prices.

COUNCIL REGULATION (EEC)

fixing the basic and buying-in prices for apples for the month of June 1981

THE COUNCIL OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1035/72 of 18 May 1972 on the common organization of the market in fruit and vegetables⁽¹⁾, as last amended by Council Regulation (EEC) No 1316/80⁽²⁾, and in particular Articles 16 and 35 thereof,

Having regard to the proposal from the Commission,

Whereas under Article 16 of Regulation (EEC) No 1035/72, basic and buying-in prices were fixed for apples other than cider apples for the marketing year running from 1 August 1980 to 31 May 1981;

Whereas, at present, stocks of apples are similar to those of the 1979/80 marketing year in the course of which a basic price and a buying-in price were fixed for the month of June by Regulation (EEC) No 1316/80⁽³⁾; whereas, consequently, considerable quantities of apples are likely to be withdrawn from the market before the end of May 1981; whereas, in order to remedy this situation, a basic price and a buying-in price should similarly be fixed for the month of June,

HAS ADOPTED THIS REGULATION:

Article 1

1. For the month of June 1981, the basic and buying-in prices for apples other than cider apples, expressed in ECU per 100 kg net, shall be as follows:

- basic price: 25,92
- buying-in price: 13,16

2. The prices specified in paragraph 1 relate to apples of the Golden Delicious variety, quality class I, size 70 mm or more, packaged.

Article 2

The prices quoted in Article 1 (1) shall not include the cost of packaging.

Article 3

This Regulation shall enter into force on 1 June 1981.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
