COMMISSION OF THE EUROPEAN COMMUNITIES

COM(82) 475 final

Brussels, 19 July 1982

Proposal for a
COUNCIL REGULATION (EEC)

amending Regulation (EEC) No 2194/81 laying down the general rules for
the system of production aid for dried grapes and dried figs

(submitted to the Council by the Commission)

Com 475

EXPLANATORY MEMORANDUM

Regulation (EEC) No 2194/81 provided for the purchase by storage agencies of those quantities of those quantities of dried grapes and dried figs not covered by contracts between growers and processors. It is possible for a situation to occur where the quantities bought in by these agencies remaining unsold at the end of the marketing year reach a level where the agencies can not store any quantities from the new harvest which they buy. Such a situation has occurred at the end of this marketing year.

Steps should therefore be taken to provide for the possibility of aid for restorage.

COUNCIL REGULATION (EEC)

amending Regulation (EEC) No 2194/81 laying down the general rules for the system of production aid for dried grapes and dried figs.

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 516/77 of 14 March 1977 on the common organization of the market in products processed from fruit and vegetables ⁽¹⁾, as last amended by Regulation (EEC) No 1118/81 ⁽²⁾, and in particular the second paragraph of Article 3d thereof,

Having regard to the proposal from the Commission,

Whereas Article 3 of Council Regulation (EEC) No 2194/81 ⁽³⁾ provides for the purchase by storage agencies of those quantities of dried grapes and dried figs not covered by contracts between growers and processors; whereas Article 6 of that Regulation provides for the sale of these products by tender or at prices fixed in advance, taking account of market developments; whereas, Article 10 also provides for the grant of storage aid and financial compensation in the event of such sales;

Whereas the quantities bought in by the storage agencies under the contracts referred to in the said Article 3 and still unsold at the end of the marketing year may reach a level which causes difficulties in storing the new harvest; whereas, to remedy that situation, provision should be made for an aid for restorage of these products;
