Proposal for a
COUNCIL DIRECTIVE

extending the period of validity of derogations relating
to brucellosis guarantees in trade in certain animals
as provided for in Article 7(1)(c) of
Directive 64/432/EEC

(submitted to the Council by the Commission)

COM(81) 690 final

EXPLANATORY MEMORANDUM

The technical provisions relating to intra-Community trade in bovine animals concerning brucellosis are governed by Council Directive 64/432/EEC. In this Directive a facultative derogation was allowed to trade bovine animals under 30 months of age intended for meat production coming from other than brucellosis free or officially free herds. This derogation ran up to the end of 1977 and has been prolonged twice since by Council Directives; it runs out at the end of this year.

It is proposed to extend it for a further period of two years (end of 1983) to coincide with the other Commission Proposal in this field to extend for a further period of two years the Community financially aided programmes for the accelerated eradication of brucellosis, tuberculosis and leukosis.

Proposal
for a
Council Directive.

Having regard to the proposal from the Commission,

Whereas Directive 64/432/EEC laid down, in respect of intra-Community trade in bovine animals, health guarantees relating to brucellosis; whereas, however, Article 7(1)(c) thereof allows Member States to grant specific derogations concerning trade in bovine animals which are intended for meat production and /are under 30 months of age in order to facilitate trade in bovine animals whilst at the same time taking account of the current brucellosis situation in certain Member States;

Whereas, the Community is successfully applying an accelerated scheme for brucellosis eradication;

Whereas, however, in certain Member States the total elimination of brucellosis has not yet been achieved, although it is expected that this objective will be realised within the next two years;

Whereas it is therefore necessary to extend, until 31 December 1983, the period during which the derogation referred to in Article 7(1)(c) may be granted;
