COMMISSION OF THE EUROPEAN COMMUNITIES

COM(82) 12 final

Brussels, 4 February 1982

Proposal for a

COUNCIL DIRECTIVE

amending Directives 72/159/EEC, 72/160/EEC and 72/161/EEC in relation
to agricultural structures

(submitted to the Council by the Commission)

COM(82) 12 final

EXPLANATORY MEMORANDUM

Article 16 of Council Directive 72/159/EEC of 17 April 1972 on the modernization of farms, as last amended by Directive 81/528/EEC, Article 7 of Council Directive 72/160/EEC of 17 April 1972 concerning measures to encourage the cessation of farming and the reallocation of utilized agricultural area for the purposes of structural improvement, and Article 9 of Council Directive 72/161/EEC concerning the provision of socio-economic guidance for, and the acquisition of occupational skills by, persons engaged in agriculture as last amended by Directive 81/529/EEC, provide that the estimated time for carrying out the common measures referred to in these Directives is ten years. According to Article 13 of Directive 75/268/EEC of 28 April 1975 on mountain and hill farming and farming in certain less-favoured areas, as last amended by Directive 80/666/EEC, the estimated duration of this Directive is linked with that of Directive 72/159/EEC.

This period of ten years, established as the estimated time, expires for the four Directives on 19 April 1982.

On 24 June 1980 and 30 June 1981, the Council of Ministers decided on fundamental amendments to Directives 75/268/EEC, 72/159/EEC and 72/161/EEC. In accordance with these decisions, the Member States are required to bring these amendments into force by 31 December 1981 at the latest.

The communication of the Commission to the Council on the reform of the common agricultural policy will also undoubtedly necessitate the introduction of other amendments or provisions which are complementary to those already existing in the agricultural structures policy of the Community; a period of reflection seems indispensable before such proposals are made.

In these circumstances, in order to gain experience in the application of the measures already adopted and learn lessons from it, as well as thoroughly to research possible new solutions, it appears essential to extend the deadline by which the Council is to decide on any amendments to the abovementioned Directives.

The Commission believes that extending the deadline to 31 December 1983 gives the best guarantee of a well-founded decision.
