COMMISSION OF THE EUROPEAN COMMUNITIES

COM(83) 208 final.

Brussels, 18 April 1983

Draft of

COUNCIL REGULATION (EEC)

temporarily suspending the autonomous Common Customs Tariff duties
on a number of agricultural products

(Submitted to the Council by the Commission)

COM(83) 208 final.

EXPLANATORY MEMORANDUM

1. The subject of the following draft regulation is the temporary suspension of duties in the Common Customs Tariff for a number of agricultural items, as requested by the Member State.

It is partly a prolongation and partly a new measure.

2. It seems appropriate to the Commission that a duty suspension is justified for the goods listed in the annex to this regulation.

The Commission proposes a total suspension for those products for which Community production does not exist or is minimal. A partial suspension is proposed in cases where the Community production covers only a part of the requirements. The rate of the partially suspended duty depends on the extent of the possible Community supply to the Community users. The Commission is also looking for the right balance between the interests of the suppliers, users and the consumers in the Community. It also takes into account the need to protect employment.

3. The Commission proposes, in order to avoid disturbance of the Community trade for certain agricultural products, to make the temporary suspension of duties in the Common Customs Tariff conditional on the observance of the possible reference price.

4. The proposed measures are confined to a fixed period because of the difficulties of estimating the evolution of the basic factors.

5. For a number of items for which the Member States also requested duty suspensions the Commission does not propose a tariff measure because the necessary conditions are not fulfilled. This concerns the following items :

Draft

COUNCIL REGULATION (EEC)

temporarily suspending the autonomous Common Customs Tariff duties on a number of agricultural products

THE COUNCIL OF THE EUROPEAN
COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 28 thereof,

Having regard to the draft Regulation submitted by the Commission,

Whereas production in the Community of the products specified in this Regulation is currently inadequate or non-existent; whereas producers thus cannot meet the needs of user industries in the Community;

Whereas in certain cases it is in the interest of the Community to suspend the autonomous Common Customs Tariff duties only partially, particularly since the goods in question are produced in the Community, and in the other cases to suspend them totally;

Whereas, in view of the difficulty of assessing accurately short-term trends in the economic situation in the relevant sectors, suspension measures should be taken only temporarily by fixing their period of validity by reference to the interests of Community production,

Whereas Article 21 of Council Regulation (EEC) No 3796/81¹⁾ makes provision for the annual fixing of reference prices for certain products valid for the Community, for the purpose of avoiding disturbance of Community trade;

Whereas it is therefore important, in order not to prejudice the scope of these provisions, to make the grant of temporary suspension of Common Customs Tariff duties for the products which are subject to reference prices subject to observance of those prices -

1) OJ No L 379, 31.12.1981, p. 1.

HAS ADOPTED THIS REGULATION:

Article 1

1. The autonomous Common Customs Tariff duties for the products listed in the tables annexed hereto shall be suspended at the level indicated against each of them.

These suspensions shall be applicable:

- from 1 July to 31 December 1983 for the products listed in Table I,
- from 1 July 1983 to 30 June 1984 for the products listed in Table II.

2. When a product has been made subject to a fixed reference price, the concession of the temporary suspension of duties of the Common Customs Tariff referred to in paragraph 1 shall be conditional on observance of that price.

Article 2

This Regulation shall enter into force on 1 July 1983.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels,

For the Council
The President
